We are thrilled to present luxurious tourist apartments located in one of the most sought-after coastal areas. This complex features 48 modern homes, including 42 three-bedroom, two-bathroom apartments and 6 two-bedroom, two-bathroom units—all designed with elegance and high quality.

First Phase Available: Scheduled for completion in Summer 2026, this phase includes two residential blocks, communal areas, and an underground garage. Each apartment will be fully equipped with Mediterranean-style furniture, modern appliances, and climate control for year-round comfort.

Relaxation Amenities: Designed with relaxation in mind, enjoy the expansive outdoor pool area suitable for both adults and children, a playground for little ones, and green spaces for leisure. Additionally, a spa in the basement features a heated pool, massage therapy jets, sauna, and gym to keep you fit and refreshed.

Your Oasis by the Sea: Combine the pleasures of life with comfort and style in this beautiful coastal environment. Enjoy sunny days by the pool, relaxing moments in the spa, or a short stroll to the beach to feel the sand between your toes. Don't miss your chance to invest in your future with this incredible property. Contact us today for more information and schedule your viewing of your dream seaside home! Welcome home!
